Apprentice Plumbing Courses

Tiers 1-5

Are you
ready for the
Journeyman
Plumber's
Exam?

These courses are designed to prepare Plumbing apprentices to fulfill the requirements to take the Massachusetts State Journeyman Plumber's Examination. In order to apply the course hours towards a student's educational requirements as outlined in 248 C.M.R., Section 11, they must hold a current Massachusetts Apprentice Plumber's License.

State requirements vary based on the date the student acquired their Apprentice License. The Tier program is for apprentice plumbers who received their apprentice card after September 1, 2008

Plumbing Tier 1 (110 Hours)

10 hour OSHA safety card, materials, tools and methods, valves and devices, residential blueprints, math and definitions.

Plumbing Tier 2 (110 Hours)

Introduction to drains, waste and vents, allowable material, traps, clean outs, code, water supply, math, gas, blueprints and definitions.

Plumbing Tier 3 (110 Hours)

Advanced instruction in vents, drains, water, storm, gas fixture instruction, blueprints, and definitions.

Plumbing Tier 4 (110 Hours)

Gas code, general laws scope & jurisdiction, damage water supply, fixtures, commercial basic principles and definitions

Plumbing Tier 5 (110 Hours)

Plumbing & Gas code review, business related costs.
